SPONSORSHIP OPPORTUNITIES

PARTNER WITH MOLLY'S BRIDGE - SHOW OUR COMMUNITY YOU STAND WITH SINGLE MOTHER LED FAMILIES

Welcome to the **7th** annual ***MAMA-RUN***. This year's race will be Saturday, May 8th, 2027. If you've joined us in the past, you know what a great success this event has become! We are offering you the opportunity to sponsor this exciting event and show our community you stand with single mother led families. Once again, this event will be hosted by The Cathedral Church on Berwick Blvd in Savannah GA.

Molly's Bridge provides practical, comprehensive solutions to families led by single mothers in Chatham County GA. The cornerstone of our program is supportive transitional housing where families are provided safe, secure housing for 24 to 36 months while they engage with our family advocacy program and are paired with a hand-selected ally team to provide community and support as they journey toward a life of financial self-suffiency and thriving engagement.

Your support will be used to complete practical work that is vital to the future growth of Molly's Bridge. Some of the projects scheduled for 2027 are:

- Adding support services for our partner families
- Continued infrastructure improvements to support our future growth
- Civil engineering, site preparation and final architectural plans for the construction of "Olives & Oaks" our new supportive transitional housing community.

The **2027 MAMA-RUN** will continue with the traditional 5K as well as the 10K distance attracting hundreds of runners and walkers. Your business will be recognized and promoted through social media, print media and on the ever popular MAMA-Run T-Shirt. Let them know you care about single mother led families and about the health of our community!

Help make THIS Happen!!
